

Description :

LED STREET LIGHT

This floor lamp has been designed to deliver powerful light and superior light output using the latest LED technology. This LED street lamp with a compact size offers the ideal solution when outdoor lighting is needed

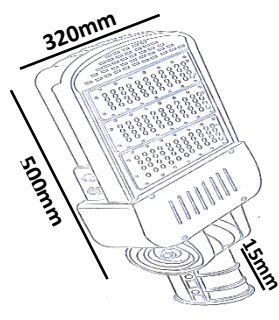

Image :

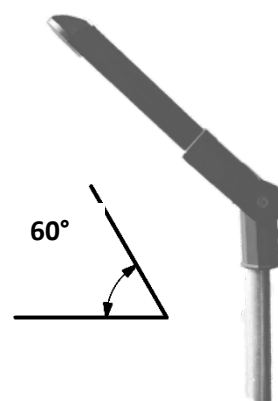

Characteristic :

- Power: 100w
- Lumen: 10,000 – 11,500 lm
- CRI > 80
- IP65
- Warranty: 5 years

Dimension :

Adjustable Angle :

Product Characteristic :

Technology	LED	Beam angle	120°
Lifetime	100 000h	Input power	220 - 240 v
Frequency	50/60 Hz	Material	ALUMINUM
Dimension (mm)	500x320x150	IP	65

Product Characteristic :

Model	Watt	BEAM ANGLE	OPERATION TEMPERATURE	RA
Street light	80W	120°	-25° to +40°	> 80
Street light	100W	120°	-25° to +40°	> 80
